general information / FAQ:

Orders:

- 15% deposit for order placement
- Remaining balance due before the finished instrument is shipped (or in case of custom name- or pattern engraving, before the shell or hoops are engraved / you'll be contacted approx. 1 week in advance).

Delivery time:

Delivery time always depends on the current order situation.

AK Drums is just a small one-man operation and all of the AK drums' components are manufactured in-house.

Name- initials engraving:

Custom engraving of name or initials on the shell or top hoop is included (sketches will be sent when an order is placed)

Engraving is done in-house and *by hand* (traditional "wriggle" style brass instrument engraving).

Payments:

- bank wire transfer in Euro (bank details: <https://ak-drums.com/media/1743/bank-details.pdf>)
- PayPal in Euro to postmaster@ak-drums.com

Re. price excluding VAT (*net export price):

For EU residents: if you have a valid EU-VAT number, I can invoice the amount without the tax. Otherwise, if the instrument is bought as private customer, 22% of Italian VAT have to be added to the Net price.

For customers in non-EU countries: invoices are made out without Italian VAT (22%).

You will have to take care of the *customs duties / import fees of your country* before or when the package gets delivered.

Shipping costs:

All drums are shipped via Poste Italiane (Italian Postal Service).

Approx. 95,00€ for one snare drum to the USA (6-7 days delivery time).

Approx. 40,00€ within the EU (2-3 days delivery time)

Please inquire for shipping costs to other countries.

Returns:

custom orders are not returnable, as they're made specific to one person's request.

prices are subject to change without notice

Feel free to inquire for an exact and detailed quote regarding your personal dream instrument!

all the best,
