general information / FAQ:

Orders:

- 15% deposit for order placement
- Remaining balance due before the finished instrument is shipped (or in case of custom name- or pattern engraving, before the shell or hoops are engraved / you'll be contacted approx. 1 week in advance).

Delivery Time:

Delivery time always depends on the current order situation.

AK Drums is just a small one-man operation and all of the AK drums' components are manufactured in-house.

Name- Initials Engraving:

Custom engraving of name or initials on the shell or top hoop is included (sketches will be sent when an order is placed)

Engraving is done in-house and *by hand* (traditional "wriggle" style brass instrument engraving).

Payments:

- bank transfer in €uro ([bank details](#))
- PayPal in €uro to: postmaster@ak-drums.com

Re. Price excluding VAT (*net export price):

For **EU residents**: if you have a valid EU-VAT number, I can invoice the amount excluding the tax.

If the instrument/item is bought as private customer, the actual VAT percentage of your EU member state (national VAT rate of the shipping destination county) will be added to the net price.

For **customers in non-EU countries**: invoices are made out excluding Italian VAT (22%).

Wherever provided, you might have to take care of the customs duties/import fees of your country before- or when the package gets delivered (please ask your tax consultant or local authorities for exact info re. your country's regulations).

Shipping Costs:

All drums are shipped via Poste Italiane (Italian Postal Service) as member of the [EMS](#) network.

shipping costs for one single snare drum:

95,00€ outside the EU

40,00€ within the EU

Returns:

custom orders are not returnable, as they're made specific to one person's request.

prices are subject to change without notice
