general information / FAQ:

Orders:

- 15% deposit for order placement
- Remaining balance due before the finished instrument is shipped (or in case of custom name- or pattern engraving, before the shell or hoops are engraved / you'll be contacted approx. 1 week in advance).

Delivery Time:

Delivery time always depends on the current order situation.

AK Drums is just a small one-man operation and all of the AK drums' components are manufactured in-house.

Name- Initials Engraving:

Custom engraving of name or initials on the shell or top hoop is included (sketches will be sent when an order is placed)

Engraving is done in-house and *by hand* (traditional "wriggle" style brass instrument engraving).

Payments:

- bank transfer in Euro ([bank details](#))
- PayPal in Euro to: postmaster@ak-drums.com

Re. Price excluding VAT (*net export price):

For **EU residents**: if you have a valid EU-VAT number, the amount will be invoices excluding the tax.

If the instrument/item is bought as private customer, the actual VAT percentage of your EU member state (national VAT rate of the shipping destination county) will be added to the net price.

[OSS](#)

For **customers in non-EU countries**: invoices are made out excluding Italian VAT (22%).

Wherever provided, you might have to take care of the customs duties/import fees of your country before- or when the package gets delivered (please ask your tax consultant or local authorities for exact info re. your country's regulations).

Shipping Costs:

All drums are shipped via Poste Italiane (Italian Postal Service) as member of the [EMS](#) network.

shipping costs for one single snare drum:

95,00€ outside the EU

40,00€ within the EU

Returns:

custom orders are not returnable, as they're made specific to one person's request.

prices are subject to change without notice
