## General information / FAQ:

### Orders:

25% deposit for order placement.

The remaining balance is due before the finished instrument is shipped.

### Name/initials engraving:

Custom engraving of names or initials on the shell or top hoop is included.

Engraving is done by hand in-house using the traditional 'wriggle' style.

### Payments:

Bank transfer or PayPal in Euros

### Prices:

#### EU residents:

If you have a valid EU VAT number, the invoice will be for the net price.

If the instrument is purchased by a private customer, the applicable VAT percentage for their EU member state will be added to the net price.

#### Customers in non-EU countries:

Invoices are made out excluding Italian VAT.

You may need to arrange payment of any customs duties or import fees for your country before or when the package is delivered. Please ask your tax consultant or the relevant local authorities for exact information regarding your country's regulations.

#### Shipping costs for one snare drum:

within the EU	45,00
outside the EU	100,00
USA	140,00

As **custom orders** are made to specific requests, they are **not returnable**.
